Dear friends in Christ and siblings in the Savior!

Twenty six times in twenty six verses! At the end of each verse of Psalm 136 we read, *His love endures forever*. Certainly, that refrain is the foundation of our gratitude to our Savior God. The love of God in Christ never ceases. It is a love expressed and received through the Means of Grace. It is a love that upholds souls in the joy of forgiveness – full and free and forever.

God has also expressed his love to the ministry of MLC through the NWC Alumni Society. Your love for Jesus, for the Gospel, for precious souls, and for the work of training future pastors is evident in your very generous gift of \$15,000. It is designated for the Presidents' Scholarship Fund. I thank Jesus for all of you, and for your continued support of young men striving for the noble task of pastoral ministry. I pray that all of you find joyful contentment knowing that future pastors will benefit greatly from this loving thank offering.

Jesus keep all of you in the eternal embrace of his infinite love.

Cordially, in Christ Jesus our Lord,

A handwritten signature in blue ink that reads "Mark Z." with a stylized flourish at the end.
